Miguel Mansur di partido Accion21:

“Nos ta boga pa un gabinete di unidad nacional cu ta inclui tur partido cu a yega parlamento”

Den un combersacion cu lider di partido ACCION21, Miguel Mansur a expresa su remarcacion inicial despues di e resultadonan di eleccion y a splica algun punto di prioridad pa trece cambio den e gobernacion nobo.

BDA: Con e sentimentonan ta pa e oportunidad cu ACCION21 a ricibi pa forma parti di e coalicion nobo aki, of en todo caso drenta den Parlamento?

“Uno di hopi gradicimento y di alegria”, Sr. Mansur a bisa. “Nos ta increíblemente honra cu tanto hende e deposita nan confiansa den nos. Nos ta super emocionada, pasobra hopi di nan tabata hende jong, first time voters specialmente, pues di curason, nos ta hopi agradecido”.

BDA: Cu e plan di maneho cu ACCION21 a traha, cua te puntonan di prioridad caminda boso lo kier trece cambio den e gobernacion nobo aki?

“Obviamente nos ta sostene landspakket, esey ta uno. Dos ta reforma fiscal. Tres ta igualdad, dus schakkel bevalling pa union civil cu a pasa y tambe nos kier open data” Sr. Mansur a bisa.

Tur e puntonan aki di prioridad ta parti di e ideologia pa modernisa nos leynan y gobernacion di parti di ACCION21, y Sr. Mansur tin speransa cu esaki lo ta posibel.

“Pa hopi di cambian ey nos mester di 14, pues ta receri 2 tercera parti di parlamento. Depende con e gobierno nobo lo muestra esey lo ta posible of no”, e la contesta pa Bon Dia Aruba.

BDA: Cu e incertidumbre den comunidad pa locual ta e status economico di nos isla, cua ta e stapnan crucial di parti di ACCION21 pa revitalisa nos economia?

“Nos reforma fiscal ta e miho manera pa revitalisa nos economia y implementacion di e landspakket ta yuda cu esey”, mener Mansur a bisa. “Dus realmente pa drecha economia nos mester bin cu reforma fiscal. Economia y finazas ta tuma e prome 14 pagina den nos plan di partido y realmente esey ta nos enfoko”.

BDA: Nos por a mira un potret di un reunion entre Sr. Mansur y Sra. Marisol Lopez-Tromp ta circula ariba rednan social. Sr. Mansur ta cataloga e reunion aki como uno positivo?

“Si, sigur cu e tabata positivo”, mener Mansur a bisa. “Nos por wak di eleccion cu a caba di pasa cu 19 mil hende no a vota pa un di e dos partidonan grandi. Ami sigur di ACCION21 ta representa mi votadonan, pero tambe mi ta sinti cu mi ta representa e votadonan cu no a vota pa geel of berde. Mi ta kere señora Lopez Tromp tambe ta sinti esey, pues nos ta bay wak con miho nos por representa e votonan ey cu no ta representa aworaki den parlamento pero a bay na restzettel, aunke nan no a vota pa un di e partidonan grandi”.

BDA: Mener Mansur su mensahe pa e comunidad di Aruba cu ta desea di wak un cambio den gobernacion di Aruba.

“Mi mensahe pa comunidad di Aruba ta sigi ta critico, sigi ta consiente, sigi demanda di e politiconan. Ken cu bai sinta den gobierno, demanda di nan loke nan a priminti. Realmente wak y exige tambe pa tur hende traha hunto. Nos di ACCION21 nos ta boga pa un gabinete di unidad nacional cu ta inclui tur e partidonan cu a yega parlamento. Dus asina so ta e manera mas facil y mas lihe pa reforma nos economia. E proyectonan cu ta biniendo ta e landspakket. Mas amplio e base ta mas lihe y mas solido nos recuperacion por ta”, mener Mansur a bisa.

Lidernan di partido MAS y Accion21 a tene un reunion *Pa tuma decisionnan riba e proximo gobierno*

For di diabierna 25 di juni ultimo cu eleccionnan a tuma luga ta existi cierto dudanan di loke lo ta e proximo gobierno di Aruba y ki partidonan lo ta forma parti di dje.

Di acuerdo cu siguidonan riba e pagina di Facebook di Bon Dia Aruba a tuma nota di comentarionan den cual algun ciudadanonan ta pidi

union y lucha pa bienestar di tur hende, ya cu e dos partido mas grandi cu ta MEP y AVP lo mester tuma decisionnan hunto cu partidonan chikito como Accion 21, Raiz y MAS pa por forma un gobierno di coalicion.

Bon Dia Aruba a purba di haya declaracion di e lidernan di partido chikito, como Marisol Lopez Tromp di

MAS y Miguel Mansur di Accion21, pero nan a informa cu tabata den un reunion. Mas laat por a mira riba red social di un periodista local y potretnan di usarionan cu e dos lider aki efectivamente a dicidi di tene un reunion y bebe un koffie pa entre otro, papia di e futuro gobernacion di e isla. di partido, candidatonan y siguidonan a yega na su ultimo punto cu tabata Centro Deportivo Frans Figaroa na distrito di Noord.

Analisis eleccion 2021

Ken a gana; ken a perde?

Den eleccion di diabierna pasa a participa un record di 12 partido na eleccion pa Staten 2021, di cual mayoria (7) no a logra representacion. Nan ta UPP, PPA Transforma, Pueblo Prome, POR, RED, CURPA, y HTC.

Cinco partido ta drenta Staten: MEP (9 asiento), AVP (7), MAS (2), RAIZ (2) y Accion 21 (1). En total tabatin 58.599 voto valido, mientras na 2017 tabatin 58.652 voto valido.
Ken a gana?

RAIZ

Raiz (5.481 voto) ta un di e partidonan cu a participa na eleccion 2017 unda no a logra asiento. Den e eleccion di 25 di juni nan a logra 5.481 voto, pa 2 asiento, un di nan 'restzettel'.

MAS

Mas (4.681 voto) tambe a participa na eleccion 2020 sin logra asiento. Cu un lider nobo awor ta logra dos asiento, un di nan restzettel.

Accion 21

Accion 21 (3.403 voto) ta participa na 2021 pa promer biaha y ta logra un

asiento.

Ken a perde?

E dos partidonan grandi den e eleccion aki ambos a sufri perdida, compara cu eleccion 2017. MEP, 20.701 voto e biaha aki, a tene su perdida reduci na 1.360 voto, compara cu e 22.078 votonan na 2017, pero a keda aleha di e nivel abao di 17.653 di eleccion 2013.

AVP a perde 5.028 voto e biaha aki, compara cu eleccion 2017. Suma na e perdida di 9.718 voto na 2017, esaki ta yega na un perdida acumula di 14.746 voto desde 2013, tempo cu e partido a yega na su record di 33.114 voto. Di e manera aki MEP ta pasa pa e puesto di partido mas grandi actualmente.

E casi 6.400 voto cu e dos partidonan grandi a perde entre nan dos, AVP mas cu MEP, ta indica cu un parti considerable di e electorado a busca otro destino. Den e caso di MEP esey ta debi na entre otro e medidanan di austeridad cu a tuma promer cu entrada di Covid-19; esey tabata entre otro aumento di BBO, y despues e medidanan necesario den e pandemia mes. Como contrapeso a sirbi aparentemente e maneho satisfactorio den e pandemia mes, cu a desemboca den recuperacion economico andando actualmente. Tambe e acuerdo cu Hulanda tabata un deseo di mayoria di pueblo. Sin embargo, e grupo desmplea ta considerable ainda y di ey por a sali vota di protesta tambe, aunke actualmente no tin dato pa indica e tendencia aki.

E perdedor grandi di e eleccion aki, sin duda algun, ta e partido opositor AVP, cu a perde 22,5% di e votonan cu a haya na 2017. Esaki despues cu na 2017 a perde caba 29,4% di e votonan di eleccion 2013, e aña record. En total, entre 2013 y 2021, AVP a perde 44,5% di su apoyo popular. E perdida aki probablemente tin di haci cu dos factor grandi. Uno ta e caso Ibis cu tabatin influencia riba eleccion 2017 y e caso Avestruz den cual actualmente nr. 29 riba lista, Benny Sevinger, ta sinta den prison preventivo di 60 dia. Tambe e efecto ainda di mal gobernacion (financiero) di 2009 – 2017, cu a pone Aruba den un situacion sumamente debil na inicio di e crisis di coronavirus, ademas di un oposicion no tanto efectivo durante e ultimo periodo di gobernacion, den ausencia di e lider Mike Eman mes. Riba esey tambe un plan di 'rescate di Aruba' no mucho claro cu ta duna un posicion por lo menos ambivalente encunto e acuerdo cu Hulanda y e proximo operacion di COHO.

Ken mas a perde?

A perde ademas 7 partido cu no a haya representacion den Staten. Nan ta:

PARTIDO	POR	RED	UPP	PPA	CURPA	HTC	PP	Total
2021	661	1784	622	1785	309	249	575	4.960
2017	4.166	5.531	656*	656*	468	--	--	10.821

★: Lista combina PPA/UPP

E tres partidonan chikito cu si a haya asiento den e proximo Staten a haya hunto 13.565 voto, 2744 voto mas cu e partidonan chikito hunto na 2017.

RED y POR tabata participe den e coalicion cu ta yegando su fin actualmente. Nan salida a cana un ruta diferente si, den e sentido cu RED tabatin un situacion mas tranquil dentro di e partido, en todo caso no a sali na luz publico ningun asunto mayor. E falta di apoyo na e partido ta debi na e critica grandi cu tabatin di varios banda riba maneho di ministro di enseñanza di e partido aki. Di otro banda tabatin un paoyo grandi na e partido cuatro aña pasa, cu e tema di introduccion di cannabis, cu no a cristaliza den ni maneho ni implementacion den e gabinete.

Den e caso di POR por papia mas bien di un explosion interno, cu a conduci na perdida di e lider maximo – Otmar Oduber - pa via di un caso hudicial (Flamingo) cu tabata aterisando, seguidamente a sacrifica e ministro encarga cu Infraestructura, Marisol Lopez Tromp na division interno, y finalmente e lider original di PDR y actual ministro demisionario di Husticia, Andin Bikker, a scoge pa no sigui den politica. Ademas e investigacion hudicial contra parlamentario y actual lider Aalan Howell cu a bira e motibo (oficial) pa gobierno cay, ta parce di a seya prestacion pover di e partido den e eleccion aki.

Di e demas partidonan cu no a logra convence e votadornan, CURPA, UPP y PPA, cu otro lider den tur caso, a participa anteriormente na eleccion sin exito repetidamente y esaki ino tabata excepcion, aunke PPA cu un lider nobo a yega na un total razonable. HTC y Pueblo Prome tabata e dos partidonan completamente nobo cu por purba atrobe aki 4 aña, si gobernacion cana su ruta normal.

Pueblo kier mira cambio... *No den eleccion so...*

Loke nos a anticipa pa algun luna, ya a pasa caba. Eleccion ta tras di lomba y bida ta sigui. Bida politico tambe; e cartanan ta baraha y riba mesa. Loke nos ta haci awor ta contempla kico ta e posibilidadnan, a base di e acuerdo cu Hulanda. Di e partidonan cu lo ta den Staten ta e partido grandi actualmente den oposicion so cu ta muestra bastante critico riba e acuerdo cu Hulanda. E pregunta mesora ta kico nan ta kere cu nan por cambia ainda na e acuerdo ey, cu ta bay ta e linea cora den e proximo gobernacion aki. Esey lo no ta otro si ta e partido berde lo ta den gobierno. Pero e probabilidad ey ta hopi remoto, y ban wak e posibilidadnan real promer.

Na promer lugar tin dos partido cu tin dos asiento, y cu e nueve asientonan di e partido grandi den gobierno demisionario esey teoricamente ta duna suficiente base pa un gobierno di coalicion cu minimo 11 voto di apoyo den parlamento. Sin embargo, conociendo e historia parlamentario un poco, nos ta kere cu lo tin un yamado pa logra un base un poco mas amplio pa e gabinete, loke ta encera inclusion di un di e otro partidonan, sea cu un o dos voto. Con esaki ta bay resulta no ta cla ainda, sigur pasobra nos sa cu tin 'bad blood' ainda entre e actual promer ministro y e ex-ministro cu e mes a yuda pone un banda. Sin embargo, lo por tin un momento cu ambos lo realiza cu tin mas asunto pa contempla cu sentimiento personal, pa fuerte cu nan por ta.

Mientras cu e otro partido cu dos asiento e negociacion por ta parce mas facil, pa e ausencia di e sentimentonan negativo ey, nos no ta kere cu esey lo ta asina tampoco. Al fin y al cabo, ora cu pone tur sentimiento un banda, hasta esunnan positivo, ta keda e tarea di crea un programa di gobernacion cu cual tur mester por biba. Naturalmente tin e acuerdo cu Hulanda cu ta duna un base fuerte di con cosnan mester bay, den cada ministerio ta keda un sinfin di asunto pa acorda, cu por bay percura pa bataya fuerte pa por yega na acuerdo. Den esey ta importante no solamente e contenido di maneho di cada ministerio, sino tambe e estilo di goberna di e partido grandi cu tabata blanco di critica di practicamente tur e partidonan chikito, esunnan den parlamento proximamente sigur. Y esey ta un punto cu nos a trece dilanti na varios ocasion tambe, cu e gobierno saliente tabatin critica fuerte riba e gobierno anterior na nan, riba e tema di corrupcion y falta di integridad, pero no a mehora nada den e forma di goberna pa preveni corrupcion actual y den

futuro. Laga nos ta bon cla den esaki: caso Flamingo a surgi durante e gobierno actualmente demisionario, a tapa e asunto un poco cu e salida oportuno di e sospechoso principal como ministro, pero e medidanan cu e siguiente ministro kier a tuma, a topa cu resistencia grandi pasobra, den nos vision, e partido actualmente celebrando su 'victoria' cu a resulta den perdida di mas di mil voto, practicamente no tin ningun inclinacion interno pa mehora cos den gobernacion. Casi ningun mehoracion mayor di ultimo decanan a yega di tuma lugar bao di nan gobierno(nan), y den e ultimo casi cuatro añanan aki tambe nos ta mira e mesun seyo di, manera nan ta bisa na Hulandes, "pappen en nathouden".

Un bon ehemplo ta con ta mancha e asunto di reforma fiscal, unda di banda Hulandes y di IMF nos a tende mas cu di e propio ministerio mes, y esey no tabata den campaña so, pero den henter e trayecto desde 2017. Mientras tabata usa cu regularidad e palabra 'transparencia' nos no a mira realmente un cambio den e practica di semper. Y pakico esaki a bay asina? Fuera di cu ta reina un ambiente interno unda ta kere cu 'esnan eyfo no tin nada di sa ni bisa' ta hunga un papel importante e afan pa no cambia nada, si no ta absolutamente necesario. Awor, e acuerdo cu Hulanda lo bay trece cambio, y tin di nan lo ta drastico, unda e opinionnan dentro di e gabinete lo diferencia, sigur ora e forzanan conservador den e partido grandi cuminsa muestra diente atrobe.

Y, ora finalmente yega na reparti cartera di ministro, lo yega e momento tambe cu mes-ter papia di e famoso 25 persona cu cada ministro den e actual gabinete demisionario tabata haya necesario pa por funciona. E mi- hor ehemplo cu esey ta nonsense tabata e sal- ida di 6 persona for di despacho di ministro encarga cu Salud, cu a haya un carera nobo, y ohala cu mas actividad real, como chauffeur pa nos ciudadanonan cu mester bay di- alyse. Ningun ministro mester di 25 'asesor' y mayoria di e empleadonan aki no ta cay den e categoria ey, sino di 'werkverschaffing' di famia y amigo. Nos sa cu lo bay grita cu e anterior gobierno (2009 – 2017) tabata mas desastroso ainda, pero esey no ta argumento mas. Esaki ta momento clave pa avanza como pais y ta momento pa muestra cara. Pueblo kier mira un cambio, no den eleccion so, den gobernacion tambe desde awe.

Dominio di partidonan grandi 2001 – 2021

Un vista rapido riba e posicion dominante di e dos partidonan grandi – AVP y MEP - den politica di 1986 te awe, ta muestra nos cu esaki isemper a muestra un tendencia di subi o baha, cu actualmente un bahada atrobe.

E siguiente tabel ta duna un impresion di e total di e votonan di AVP y MEP hunto, compara cu e total di voto.

Voto den Eleccion 2001 – 2021 di MEP y AVP como % di Total

Partido	2001	2005	2009	2013	2017	2021
AVP	12.749	16.725	26.476	33.114	23.385	18.348
MEP	25.172	22.002	19.804	17.658	22.078	20.701
% AVP/MEP	79.1	63.8	84	87.8	78	66.6

Por mira den e tabel presenta aki desde 2001 por mira e total di voto di ambos hunto, cu e dominio ey tampoco semper tabata asina fuerte. Principalmente na 2005 a surgi varios partido, un total di 11, cu a percura pa e cantidad di voto di e partidonan grandi a bay back te na 63,8%, den ultimo 20 aña en todo caso e punto mas abao, sigui pa e 66.6% di eleccion di diabierna pasa.

Un situacion cu ta hopi parecido na e actual imagen di eleccion, pero cu despues a mira varios partido politico no tabata capaz di mantene nan posicion y organisacion, loke a hiba atrobe na e apoyo di electorado na e partidonan grandi, cu aña 2013 como punto culminante cu casi 88% di e total. Principalmente e caida den apoyo di partido AVP desde e tempo ey a conduci na e nivel abao actual di apoyo pa e partidonan grandi.

Di otro banda por observa cu MEP tabata mas constante durante e añanan, sin embargo no a yega mas na e nivel di 2001, siendo e tempo ey e promer partido cu a logra un mayoria absoluto pa goberna nan so.

(Continuacion di Pagina 4)

Formacion di gobierno nobo

Resultado di eleccion ta papia pa su mes: tin solamente posibilidad di un gobierno di coalicion. E proximo paso mas logico ta, despues di e bishitanan cerca Gobernador di e partidonan cu ta bay tin asiento den Staten, ta cu lo tin un informador cu ta sondea e posibilidad di un gobierno, cu partido MEP como e hueso di lomba di e gabinete. Riba rednan social por observa e mencion di e posibilidad di un gabinete cu AVP como partido grandi y tur e demas partidonan aden, menos MEP, pero esey no ta parece realistico, ya cu e partidonan ey mester tene debido cuenta cu e nubia scur cu ta colga riba partido AVP pa motibo di e casonan hudicial (Ibis, Avestruz) andando, cu ta kita logica di

un coalicion asina. Di su propio base electoral di 2017 mes e partido a perde mas di 5.000, loke ta bisa suficiente di e prestigio moral di e partido actualmente.

Un gobierno nobo en principio ta parece posible cu cualkier di e dos partidonan cu a haya dos asiento cada un (MAS, RAIZ).

Sin embargo, lo tin presion tambe pa considera un base mas amplio, incluyendo un di e dos otro. Aki probablemente e detayenan di e acuerdo cu Hulanda y e agenda pa implementacion di COHO lo subi mesa, cu no ta significa cu lo tinun acuerdo di gobernacion asina facil.

Gobernador di Aruba ta inicia cu ronda di consulta

Gobernador di Aruba, Su houdt, riba dialuna 28 di Excelencia Alfonso Boek-

juni 2021 durante oranan

di mainta ta inicia e rondanan di consulta cu organonan di conseho y cu lidernan politico.

Durante di e rondanan di consulta Gobernador ta informa su mes tocante e posibilidadnan pa formacion di un gabinete nobo, teniendo na cuenta e resultado di e eleccion pa miembronan di Parlamento di Aruba.

Gobernador Boekhoudt primeramente lo papia cu presidente di Raad van Advies, señor Frits Goedgedrag y despues cu presidente di Par-

lamento, señor Juan Thijsen. For di dialuna merdia Gobernador lo papia cu e lidernan di e partidonan politico cu a base di e resultadonan electoral preliminar a haya por lo menos un asiento: señora Evelyn Wever-Croes (MEP), señor Mike Eman (AVP), señor Ursell Arends (RAIZ), señora Marisol Lopez Tromp (MAS) y señor Miguel Mansur (Accion21).

Seguidamente Gobernador lo consulta cu presidente di Sociaal Economische Raad, señora Tisa LaSorte, cu presidente suplente di Algemene

Rekenkamer, señor Frederick Nuboer y cu e miembro postula pa Aruba di College Aruba financieel toezicht, señora Hellen van der Wal.

E consultanan ta forma e comienso di e proceso di formacion pa yega na un gobierno nobo pa Aruba. Ta spera cu e consultanan ta finalisa riba diaranson 30 di juni. E siguiente paso den e proceso di formacion ta cu, a base di e resultado di e consultanan, lo designa un informador y lo formula e encargo pa e persona en cuestion.

Marisol Lopez Tromp lider di partido MAS,

“Mi por sinti si cu e resultado aki ta hopi miho cu e ultimo eleccion”

Partido MAS cu su lider Marisol Lopez Tromp diabierna ultimo cu tabata dia di eleccion a haya 4.281 voto den e 72 urna, loke ta nifica tambe cu el a logra dos asiento pa e gobierno di e proximo cuatro aña, dependiendo di con esey lo tuma luga.

Bon Dia Aruba a tuma contacto cu Lopez Tromp pa haci un par di preguntanan di loke ta referi e resultadonan di eleccionnan di diabierna ultimo, si e tabata spera e resultado cu el a haya por ehemplo, y kico e ta kere ta e mensahe cu el a haya y cu su votadonan a manda pa otro partidonan.

El a conta cu ta increibel, e manera con e partido a wordo traspasa na su persona y el a mester entrega e lista di candidatonan den apenas dos siman, “lo cual ta algo abnormal” el a declara.

Cada partido tin su tempo y te hasta lunanan pa por haci nan lista di candidato y desde e momento cu partido MAS a entrega su lista na Censo y nan a haya nan firmanan, otro seis siman a pasa, “eigenlijk e campaña mes a dura bo por bisa seis siman pa por a logra e dos asiento”, el a splica.

Asina mes, el a papia cu e nunca a corda cu ningun un otro partido a pasa den un cos manera esaki y cu nan ta hopi contento y hopi satisfecho cu e cantidad di voto y asiento cu nan a haya den tur e cantidad di urnanan, algo cu pa su persona ta nifica cu esey ta un potencial pa crece.

Di loke ta e resultado di dos asiento, Lopez Tromp a sigura cu e ta sinti cu e campaña a bay bon, e acogida tabata bon, aunke e tempo di campaña tabata hopi cortico, tabata duro y cu hopi peso pa cumpli cu e peticionnan como reunion di contacto, bishita etc, el a comenta cu el a haya un bon acogida.

“Mi no tabata sa precies den cuanto asiento esey lo a culmina, pero mi por sinti si cu e resultado aki ta hopi mas miho cu e ultimo eleccion”, Lopez Tromp a expresa.

Di e mensahe cu el a haya di su votadonan, Lopez Tromp a señala cu “bo por hiba un campaña basa riba programa di partido realistico, sin cu

bo tin sponsornan cu ta bou campaña grandi y cu hopi material”, ademas, el a sigura cu nan a hiba un campaña hopi simpel, cu nan no a parti material, loke e comunidad por a mira ta loke e hendenan mes a traha y ta p’esey cu tabata diferente, ademas cu tabatin un tempo cortico di seis siman.

“Tempo tabata cortico pero nos a hiba un campaña dirigi pa anti-corupcion, na bienestar di nos hendenan, respet pa nos leynan y enfoke riba salud, educacion, social, husticia y combati corrupcion, mi ta kere e votadonan a compronde e mensahe aki tambe”, el a manifesta.

Tambe Bon Dia Aruba a puntra pa Lopez Tromp kico a hunga un rol cu hende a kere den dje atrobe, pa motibo cu el a baha na 400 voto tempo di POR, pa esaki el a contesta cu e no ta kere cu den eleccionnan anterior nan no tabata kere den dje, e problema cu el a haya den ultimo eleccion di 2017 ta cu mayoria di cas cu el a bishita ora cu e tabata riba lista di partido POR, e campaña tabata hopi critico riba ex-minister Otmar Oduber.

“E mayoria di cas cu nos a bay tabata sinti un rechazo, un critica of un zundramento riba Otmar den tempo ey”, tambe el a sigura cu nan tabata tuma nan tempo pa splica of pa contesta ora cu e hendenan tabata trece esey pa dilanti “esey ta un diferencia hopi grandi cu e eleccionnan aki”.

Manera comunidad a conoce, dia 22 di april ultimo Holmo Henriquez ken tabata e antiguo lider di partido MAS a haci e traspaso di e liderazgo y presidencia di e partido pa Lopez Tromp dilanti di edificio di Camara di Comercio, na e momento ey Henriquez a splica cu den e traspaso no tabatin nada di compra, of huur, pero cu tur cos a bay segun statuutnan, y den pleno aceptacion di banda di e directiva existente.

Segun e lider nobo Lopez Tromp, e no a yega sin mas na scoge pa partido MAS. E no tabata contempla bay cu ningun otro partido prome cu el a yega na e escogencia aki. Su escogencia ta basa riba filosofia di MAS cu ta cuadra cu loke Marisol Lopez Tromp tambe ta vocifera.

Autoridadnan Colombiano ta investiga atentado contra presidente Duque

(EFE) – Autoridadnan Colombiano ta continua den e buskeda di e responsabel di e atentado contra helicopter den e cual e presidente Ivan Duque y dos di

su minister tabata biaha, a keda conoci cu nan a keda sano y salvo, mientras cu a cuminsa surgi dudanan tocante si tabatin fayto den e seguridad di e manda-

tario.

Polis a realiza varios registro den e casnan na unda supuestamente a realiza e tiro pa helicopter, un Sikorsky UH-60 Black Hawk di Forza Aereo Colombiano (FAC), cu a aterisa na aeropuerto internacional Camilo Daza di Cucuta, capital di Nort di Santander y frontera cu Venezuela.

Duque y su minister di Interior Daniel Palacios hunto cu di Defensa Diego Molano, como tambe gobernador di Nort di Santander, Silvano Serrano y alcalde di Cucuta

Jairo Yañez, cu a acompaña nan den un bishita na e localidad di Sardinata, na zona di Catatumbo, a sali sano y salvo di e atake, a pesar cu seis tiro a haci impacto na e aeronave.

Director di Polis Nacional, general Jorge Luis Vargas, a bisa cu na e bario La Conquista, cu ta ubica na 1.2 kilometer di aeropuerto, a wordo haya dos fusil cu ta sospecha ta esunnan cu a wordo utiliza na e atentado.

“Nan ta AK-47 cu number di registro cu ya caba e ekipo di Polis Nacional y Fiscalía ta den buskeda, y un fusil cali-

ber 7-62 tio FAL cu marca di Forza Arma di Venezuela”, el a declara.

Te ayera, Gobierno Colombiano no a duna mas detaye di ken ta esunnan cu por ta tras di incidente aki, aunke a ofrece un recompensa di hasta 3.000 milyon peso (casi 800.000 dollar) pa e persona cu lo duna “informacion cu lo permiti yega na e personanan responsabel di e atentado terrorista aki”.

Sinembargo, ta cuminsa haya dudanan riba fayto di seguridad nacional y den inteligencia, cu a permiti cu lo tuma luga un atake contra e mesun hefe di Estado.

Nicaragua: Gobierno ta aresta otro oponente prominente

(AP) — Gobierno di presidente Nicaraguense, Daniel Ortega a aresta otro yiu di ex-lider Violeta Chamorro, e mihe cu anteriormente a derot’e pa e presidencia, na caminda pa eleccion e aña aki.

Ex-Congresista Petro Joaquin Chamorro Barrios a keda aresta diabierna laat, acusa di actua contra e ‘soberania y independencia’ di Nicaragua, segun autoridadnan.

E ta ruman homber di aspirante presidencial Cristiana Chamorro, kende tabata bao aresto domiciliario desde dia

2 di juni, y periodista Carlos Fernando Chamorro, kende recientemente a anuncia cu el a bandona e pais pa evita aresto.

A traves di un comunicado empresa Andino Pneus, a informa cu loke ta e aña aki na Venezuela, si ta hopi nan a logra produci 3.178 tire, a pesar cu e maquinaria tin un capacidad instala di 100.000 tire mensual. Segun secretario general di e sindicato di trahador di e compania Andino Pneus, Luis Alberto Alvarez, produccion nacional di tire na suelo, cu un total di 0,7% di loke e tabata. Ya cu e sueldo minimo di 4 dolar pa luna, cu cual ta casi imposible sobrevivir, laga henter un lote di empleado sin sueldo pa e incapacidad di produci ta algo devastador den tur sentido.

E crisis a haci durante e ultimo añanan cu e Venezolano mester cumpra tire barata di cualkier forma posible. Esaki tin como consecuencia cu hende ta bay bende tire usa, o cu tiendanan ta rebende tire na doble o triple di nan prijs original.

Pakico nos mester manda nos yiu pa Hulanda si nan no por haya trabao, parlamentario cu no tin un experticio sinta riba stoel di ministro. esey ta duna

nos un sentimento di tristeza, decepcion door cu nos yiu ta studia hopi duro pero sin trabao na Aruba kico, nan lo prefera keda na Hulanda asina nan por paga nan studio door cu nan tin trabao di biaha, tabata un bon idea si gobierno lo haci test di competencia pa

trahado di gobierno por ta lo habri mas luga pa nos mucha cu di berdad ta competente. Pa mi kier bisa bon bini na e gobierno nobo y cu bin cu idea nobo, Nos pueblo lo gradici, ministerio publico trahando cu Banco central, pa nos no

Courtney Love ta furioso cu portada nobo di Olivia Rodrigo

FTAC ta multa Ernst & Young

(CuracaoChronicle) – Medionan di comunicacion Curasoleño siman pasa a reporta cu e Fair Trade Authority Curacao (FTAC) a duna dos decision den caso number A.0018.29. FTAC a dicidi riba dia 1 di juni ultimo pa impone un multa di NAf. 400mil riba e compania di accountancy, Ernst & Young (EY).

Ta prome biaha cu FTAC a duna un multa.

Motibo cu a duna e multa riba EY tabata pa no reporta di forma debido un concentracion. FTAC tin opinion cu EY mester a notifica FTAC di su adkision di control riba (parti di) KDC Interim na comienso di aña 2019, e nomber comercial bao cual

accountant y conseheronan di e ex-KPMG Dutch Caribbean tabata conoci desde dia 1 di januari 2019. Den su segundo decision, FTAC a dicidi cu no lo duna boet na KDC pasobra KDC no tabata obliga pa duna notificacion.

Obligacion di notificacion Concentracionnan por conduci na companianan cu posicion dominante y pues menos competencia na Corsou. Artículo 5.2 prome paragraf di Ordenansa Nacional riba Competencia pa e motibo aki ta indica cu un concentracion, fusion of takeover mester keda reporta na FTAC prome cu su conclusion si cumpli cu cierto condicion. E notificacion aki ta duna FTAC e oportunidad di monitor si ta aparece of reforsa posicionnan dominante

di companianan.

Na Corsou, companianan ta rekeri pa reporta fusionnan mayor, adkisionnan y joint ventures ('concentracionnan') na FTAC prome cu nan keda completo basa riba Ordenansa Nacional riba Competencia. Companianan mester notifica fusionnan si conhuntamente nan ta crea of reforsa un share di mercado di al menos 30%. FTAC no por blokea concentracionnan, pero por duna multa si un concentracion no ta reporta of ta reporta incorrectamente, of si ta duna informacion incorrecto of engañoso na FTAC.

Investigacion conduci pa FTAC

FTAC a lansa e investigacion riba EY como respuesta na

cobertura den medionan di comunicacion, incluyendo un aviso di full un pagina di EY mes, anunciando adkision di KDC Interim.

Maske ta asumi cu tur compania ta na altura di su obligacionnan bao ley aplicabel, tambe mester nota cu den respuesta na e reportahe, FTAC expresamente a destaca na EY e obligacionnan bao Arituculo 5.2 di Ordenansa Nacional riba Competencia. Durante su investigacion, FTAC a identifica e partidonan activo den mercado pa auditoria y servicionan di seguro.

Inicialmente, team di investigacion di FTAC a tene discusion cu competidornan clave di EY y ex-KPMG riba condicionnan di mercado y e competencia percibi den e mercado. FTAC tambe a haci uso di su podernan investigativo pa solicita data y documentonan for di e partidonan involucra mediante varios solicitud di informacion.

E resultadonan di e investigacion a duna causa pa prepara un reporte manera ta referi den Artículo 7.11, prome paragraf, di Ordenansa Nacional riba Competencia, den cual e sospecha di un violacion di obligacion di notificacion di e team di investigacion di FTAC tabata substancia. Segun e tercer paragraf di Artículo 7.11 di e Ordenansa Nacional riba Competencia, e team di sancion a solicita y a ricibi opinion di EY den e reporte en cuestion.

Toma di decision di FTAC

Basa riba e investigacion ariba menciona, y opinionnan entrega pa e partidonan di acuerdo cu Artículo 7.11

di Ordenansa Nacional riba Competencia, FTAC a conclui den su reunion riba dia 1 di juni ultimo cu tabatin violacion di EY. FTAC ta di opinion cu a establece cu e acuerdonan entre EY y KDC ta trece cune un concentracion dentro di definicion di Artículo 5.1 di Ordenansa Nacional riba Competencia. Di e informacion duna pa EY cu e top di KPMG, comercio bao nomber KDC Interim, a acorda cu na momento di ehecuta e acuerdonan en cuestion, EY ta adkiri control di (parti di) KPMG/KDC y e accion di mercado conhunto ta excede e share di mercado di 30%.

Segun FTAC, a establece cu EY no a notifica FTAC di e concentracion aki segun Artículo 5.2 di Ordenansa Nacional riba Competencia. E concentracion pues ta trata di e adkision di EY di control riba (al menos parti di) compania KDC, consistiendo di parti di personal y cliente di KDC.

KDC no a adkiri ningun control y den evento di un takeover, e obligacion di notificacion ta keda riba e partido adkisor, cu ta e motibo pakico no a impone un multa riba KDC Interim den segundo decision di FTAC den e caso aki. Den esaki, FTAC a conclui cu KDC Interim no tabatin obligacion di reporta riba e takeover di (partinan di) KDC pa EY y cu e violacion no ta atribui pues na KDC Interim. Pa e motibo aki, FTAC a cerca e investigacion riba KDC y a dicidi segun Artículo 7.13 paragraf 1 di Ordenansa Nacional riba Competencia cu no lo impone un multa.

5 who died in New Mexico hot air balloon crash identified

(AP) — Authorities on Sunday released the names of the pilot and two couples who died after a hot air balloon they were riding in struck a power line and crashed onto a busy street in Albuquerque.

New Mexico State Police on Sunday identified the pilot as 62-year-old Nicholas Meleski and the four passengers as Susan Montoya, 65; John Montoya, 61; Mary Martinez, 59; and Martin Martinez, 62. The ages of the Martinez couple were reversed when authorities released their identities Saturday.

All were Albuquerque residents. State Police said John Montoya died at a hospital from his injuries while the other victims were declared dead at the crash scene Saturday. Witnesses told authorities that the balloon descended toward the ground around 7:30 a.m. Saturday and struck an overhead power line.

The gondola detached from the envelope and fell about 100 feet (30 meters) and crashed in the median of a busy city street before catching on fire, authorities said. The envelope of the balloon floated away, eventually landing on a residential rooftop. The National Transportation Safety Board and Federal Aviation Administration will be investigating the cause of the crash.

The NTSB sent two investiga-

tors to the scene and will look into the pilot, the balloon itself and the operating environment, according to agency spokesman Peter Knudson. “This is a tragedy that is uniquely felt and hits uniquely hard at home here in Albuquerque and in the ballooning community,” Albuquerque Mayor Tim Keller said. According to an NTSB database, there have been 12 fatal hot air ballooning accidents in the United States since 2008 with two of those occurring in Rio Rancho just outside Albuquerque, which is mecca for hot air ballooning. The city hosts a nine-day Balloon Festival in October that draws hundreds of thousands of spectators and pilots from around the world. It is one of the most photographed events globally.

Meleski was known for flying

a multi-colored balloon with a Zia symbol which appears on the New Mexico state flag. The retired UPS driver had been a licensed balloon pilot since 1994 and was a regular at the Balloon Fiesta. Paul Fields, an Albuquerque resident who was friends with Meleski, said he was an amazing pilot who made every passenger smile. “The skies will be a little less bright without him,” Fields said. Martin “Marty” Martinez retired from the Albuquerque Police Department as a patrol officer and had been a police field sergeant for Albuquerque Public Schools the past 16 years. Some Albuquerque officers who responded to the crash had worked with Martinez and were sent home because it took a toll on them, police Chief Harold Medina said.

Man jumps from moving plane at Los Angeles airport

(AP) — A passenger was taken to the hospital Friday night after jumping out of a moving plane at Los Angeles International Airport, authorities said.

United Express flight 5365, operated by SkyWest, was pulling away from a gate shortly after 7 p.m. when the man unsuccessfully tried to breach the cockpit by pounding on the door, then managed to open the service door and jumped down the emergency slide onto the tarmac, according to the airport, the FBI and SkyWest.

The man was taken into custody on the taxiway, treated for injuries that were not life-threat-

ening and taken to the hospital, authorities said. The twin-engine Embraer 175, which was headed to Salt Lake City, returned to its gate, the air-

port said. Nobody else aboard the plane was injured.

With virtual and in-person events, NYC commemorates Pride

(AP) — New York City's annual LGBTQ Pride parade went ahead virtually again due to the pandemic Sunday, though demonstrators and celebrators were still making their presence felt around the city.

The main New York City Pride parade, which usually draws throngs of participants and spectators, was presented as a television broadcast special, since now-lifted pandemic restrictions were still in effect at the time it was be-

ing planned.

That didn't deter throngs from gathering in person on Sunday afternoon for PrideFest, a street fair with vendors, food and entertainment in Manhattan. A dance party was planned for Herald Square and fireworks, music and food were prepared for Pier 45 in Hudson River Park.

Sean Gannon from Maplewood, New Jersey, attended with his husband and two 3-year-old sons.

"It's such an important thing for them to see that they have two dads and that there are other people that have two moms, two dads, single dads, single moms," Gannon told WCBS Radio. "There are all different ways that families are made up, so it's really awesome to be able to share this experience with them today."

For people looking to march for LGBTQ rights, the Reclaim Pride Coalition held its third Queer Liberation March from Bryant Park to the Stonewall National Monument and into Washington Square Park. The liberation march event does not allow police or corporate participation.

New York City's gay pride parades began in 1970 to commemorate the 1969 Stonewall uprising, which started after a police raid on a Manhattan gay bar.

The Stonewall Inn is still there, now under different owners.

Unprecedented: Northwest heat wave builds, records fall

(AP) — Intense. Prolonged. Record-breaking. Unprecedented. Abnormal. Dangerous.

That's how the National Weather Service described the historic heat wave that is hitting the Pacific Northwest, pushing daytime temperatures into the triple digits and breaking all-time high temperature records in places unaccustomed to such extreme heat.

Portland, Oregon, reached 110 degrees Fahrenheit (43.3 Celsius) Sunday, breaking the all-time temperature record of 108 F (42.2C), which was set just a day earlier. Oregon's Capital city, Salem, also recorded the highest temperature in its history on Sunday: 112 F (44.4 C), breaking the old mark by 4 degrees.

Records were being broken across the region, and the sizzling temperatures were expected to get even hotter Monday.

The temperature hit 101 F (38.3 C) at Seattle-Tacoma International Airport on Sunday. The National Weather Service said that is the first time the area recorded two triple digit days since records began being kept in 1894.

It got so hot in Seattle that the city parks department closed a community pool in the southern portion of the city because of "unsafe, dangerous pool deck temperatures." King County closed several COVID-19 testing sites because of the heat. Seattle

opened additional public library branches Sunday, and will again Monday, to provide additional cooling centers, The Seattle Times reported.

Seattle's light rail trains may have to operate at reduced speeds because of excessive heat on the tracks, causing delays that could continue into the work week, Sound Transit said Sunday.

The heat wave also moved into Idaho, where temperatures above 100 F (38 C) are forecast in Boise for at least seven days starting Monday. Ontario, Oregon — a city near the Idaho border — could see at least a week of triple-digit temperatures, including a high of 109 F (42.8 C) Wednesday, forecasters said.

Cities were reminding residents where pools, splash pads and cooling centers were available and urging people to stay hydrated, check on their neighbors and avoid strenuous activities.

Still, about 3,000 athletes participated in an Ironman Triathlon in Coeur d'Alene, Idaho, on Sunday. The race start was moved up to 5 a.m. The event includes a 2.4-mile swim, a 112-mile bike ride and a 26.2-mile marathon run (a 3.9-kilometer swim, a 180-kilometer bike ride and a 42-kilometer run).

Race organizers said they had 62,000 pounds (28,000 kilograms) of ice at hydration stations, misting stations and chilled towels to hand out to athletes, KHQ-TV reported.

US airstrikes target Iran-backed militias in Syria, Iraq

(AP) — The U.S. military, under the direction of President Joe Biden, conducted airstrikes Sunday against what it said were "facilities used by Iran-backed militia groups" near the border between Iraq and Syria.

Pentagon Press Secretary John Kirby said the militias were using the facilities to launch unmanned aerial vehicle attacks against U.S. troops in Iraq. Kirby said the U.S. military targeted three

operational and weapons storage facilities — two in Syria and one in Iraq.

He described the airstrikes as "defensive," saying they were launched in response to an "ongoing series of attacks by Iran-backed groups targeting U.S. interests in Iraq." "The United States took necessary, appropriate, and deliberate action designed to limit the risk of escalation — but also to send a clear and unambiguous deterrent message," Kirby said.

Chauvin gets 22 1/2 years in prison for George Floyd's death

(AP) — Former Minneapolis police Officer Derek Chauvin was sentenced Friday to 22 1/2 years in prison for the murder of George Floyd, whose dying gasps under Chauvin's knee led to the biggest outcry against racial injustice in the U.S. in generations.

The punishment — which came after Chauvin broke his yearlong silence to offer condolences to the Floyd family and express hope that they eventually have “some peace of mind” — is one of the longest prison terms ever imposed on a U.S. police officer in the killing of a Black person.

Still, Floyd family members and others were disappointed. The sentence fell short of the 30 years prosecutors had requested. And with good behavior, Chauvin, 45, could get out on parole after serving two-thirds of his sentence, or about 15 years.

“Just because it's the most time doesn't mean it's enough time,” said Nekima Levy Armstrong, a Minneapolis protest leader.

Judge Peter Cahill went beyond the 12 1/2-year sentence prescribed under state guidelines, citing Chauvin's “abuse of a position of trust and authority and also the particular cruelty” shown to Floyd.

Floyd family attorney Ben Crump said the family had gotten “some measure of accountability” but is hoping Chauvin gets the maximum at his upcoming federal civil rights trial. Crump said this was the longest sentence a police officer has ever received in Minnesota.

But he added: “Real justice in America will be Black men and Black women and people of color who will not have to fear being killed by the police just because the color of their skin. That would be real justice.”

Outside the courthouse, a crowd of about 50 people clasped hands or placed them on each other's shoulders. The reaction was subdued as people debated whether the sentence was long enough. Some cursed in disgust.

At George Floyd Square, as

the intersection where Floyd was pinned to the pavement is now known, members of the crowd broke into applause, and several said, “We'll take it.”

Chauvin was immediately led back to prison. He showed little emotion when the judge pronounced the sentence. His eyes moved rapidly around the courtroom, his COVID-19 mask obscuring much of his face.

The fired white officer was convicted in April of second-degree unintentional murder, third-degree murder and second-degree manslaughter for pressing his knee against Floyd's neck for up to 9 1/2 minutes as the 46-year-old man gasped that he couldn't breathe and went limp on May 25, 2020.

Bystander video of Floyd's arrest on suspicion of passing a counterfeit \$20 bill at a corner store prompted protests around the world and led to scattered violence in Minneapolis and beyond, as well as demands for overhauling police departments.

On Friday, Chauvin, who did not testify at his trial, removed his mask and turned toward the Floyd family, speaking only briefly because of what he called “some additional legal matters at hand” — an apparent reference to the federal civil rights trial, where his words could be used against him.

“I do want to give my condolences to the Floyd family. There's going to be some other information in the future that would be of interest. And I hope things will give you some peace of mind,” he said without further explanation.

Defense attorney Eric Nelson had asked that Chauvin be let off on probation, saying the former officer's “brain is littered with what-ifs” from that day: “What if I just did not agree to go in that day? What if things had gone differently? What if I never responded to that call? What if? What if? What if?”

Chauvin's mother, Carolyn Pawlenty, pleaded for mercy for her son, saying his reputation has been unfairly reduced to that of “an aggressive, heartless and uncaring person” and a racist.

“I want this court to know that none of these things are true and that my son is a good man,” she told the judge, adding: “Derek, I want you to know I have always believed in your innocence, and I will never waver from that.”

“I will be here for you when you come home,” she said.

Prosecutor Matthew Frank, in asking the judge to exceed the sentencing guidelines, said “tortured is the right word” for what the officer did to Floyd.

“This is not a momentary gunshot, punch to the face. This is 9 1/2 minutes of cruelty to a man who was helpless and just begging for his life,” Frank said.

Floyd family members had tearfully asked the judge to impose the maximum, which was 40 years. Several spoke before the sentence, and his 7-year-old daughter, Gianna, was seen in a recorded video.

“I miss you and I love you,” Gianna Floyd said in the video when asked what she would say to her daddy. She had a list of things she would have liked to do with him: “I want to play with him, have fun, go on a plane ride.”

Afterward, Floyd's nephew Brandon Williams said the sentence was insufficient, “when you think about George being murdered, in

cold blood with a knee on his neck for 9 minutes and 29 seconds execution-style in broad daylight.” LaTonya Floyd, George Floyd's sister, said of the punishment: “That's nothing. That's nothing. He should have got the max, period.”

The concrete barricades, razor wire and National Guard patrols at the courthouse during Chauvin's three-week trial in the spring were gone Friday, reflecting an easing of tensions since the verdict.

Before the sentencing, the judge denied Chauvin's request for a new trial. The defense had argued that the intense publicity tainted the jury pool and that the trial should have been moved out of Minneapolis.

The judge also rejected a defense request for a hearing into possible juror misconduct. Nelson had accused a juror of not being candid during jury selection because he didn't mention his participation in a march last summer to honor the Rev. Martin Luther King Jr. Prosecutors countered the juror had been open about his views.

Philip Stinson, a criminal justice professor at Bowling Green State University, said 11 non-federal law officers, including Chauvin, have been convicted of murder for on-duty deaths since 2005. The penalties for the nine who were sentenced before

Chauvin ranged from from six years, nine months, to life behind bars, with the median being 15 years.

With Chauvin's sentencing, the Floyd family and Black America witnessed something of a rarity: In the small number of instances in which officers accused of brutality or other misconduct against Black people have gone to trial, the list of acquittals and mistrials is longer than the list of sentencings after conviction.

In recent years, the acquittals have included officers tried in the deaths of Philando Castile in suburban Minneapolis and Terence Crutcher in Tulsa, Oklahoma.

“That's why the world has watched this trial, because it is a rare occurrence,” said Arizona-based civil rights attorney Benjamin Taylor.

Chauvin has been held since his conviction at the state's maximum-security prison in Oak Park Heights, where he has been kept in a cell by himself for his own protection, his meals brought to him.

The three other officers involved in Floyd's arrest are scheduled for trial in March on state charges of aiding and abetting both murder and manslaughter. They will also stand trial with Chauvin on the federal charges. No date has been set for that trial.

Families frustrated at slow pace of condo rescue

(AP) — Rescuers digging through the rubble of a Florida beachfront condo sought to reassure families that they were doing as much as possible to find missing loved ones, but the crews said they needed to work carefully for the best chance of uncovering survivors.

As the death toll rose Sunday to nine, relatives were growing increasingly desperate for news and worried about the slow progress and dwindling hopes. No one has been pulled alive from the pile since hours after the collapse on Thursday morning. Some family members were taken by bus Sunday to a location near the site after relatives frustrated with the pace of rescue efforts demanded to visit the scene.

“My daughter is 26 years old, in perfect health. She could make it out of there,” one mother told rescuers during a weekend meeting with family members. A video of the meeting was posted by Instagram user Abigail Pereira.

“It’s not enough,” continued the mother, who was among relatives who pushed authorities to bring in experts from other countries to help. “Imagine if your children

were in there.”

More than 150 people remain unaccounted for in Surfside, and authorities and loved ones fear the toll will go much higher.

Scores of rescue workers remained on the massive pile of rubble, searching for survivors but so far only finding bodies and human remains.

In a meeting with families on Saturday evening, people moaned and wept as Miami Dade Assistant Fire Chief Raide Jadallah explained why he could not answer their repeated questions about how many victims they had found.

“It’s not necessarily that we’re finding victims, OK? We’re finding human remains,” Jadallah said, according to the video posted on Instagram.

Every time crews find remains, they clean the area and remove the remains. They work with a rabbi to ensure any religious rituals are done properly, Jadallah said.

“So the question is, is why is things taking so long?” he said, “What we’re doing is making sure that everything is followed to a ‘T.’”

Authorities said their efforts are still a search-and-rescue operation. Alan Cominsky,

chief of the Miami-Dade Fire Rescue Department, said they are holding out hope of finding someone alive, but they must be slow and methodical.

“The debris field is scattered throughout, and it’s compact, extremely compact,” he said. Debris must be stabilized and shored up as they go.

“If there is a void space, we want to make sure we’re given every possibility of a survivor. That’s why we can’t just go in and move things erratically, because that’s going to have the worst outcome possible,” he said.

So far, he said, they have not come across any voids.

In meetings with authorities, family members repeatedly pushed rescuers to do more. One asked why they could not surgically remove the largest pieces of cement with cranes, to try to uncover bigger voids where survivors might be found.

“There’s not giant pieces that we can easily surgically remove,” replied Maggie Castro, of the fire rescue agency, who described herself as “one of the people out there attempting to find your family members.”

“They’re not big pieces. Pieces are crumbled, and they’re being held together by the rebar that’s part of the construction. So if we try to lift that piece, even as carefully, those pieces that are crumbling can fall off the sides and disturb the pile,” Castro said.

She said they try to cut rebar in strategic places and remove large pieces, but that

they have to remove them in a way that nothing will fall onto the pile.

“We are doing layer by layer,” Castro said. “It doesn’t stop. It’s all day. All night.”

A fire in the rubble pile slowed efforts earlier in the weekend, but Miami-Dade Mayor Daniella Levine Cava said it was suppressed Saturday.

She said six to eight teams are actively searching the pile at any given time, with hundreds of team members on standby ready to rotate in. She said teams have worked around the clock since Thursday, and there was no lack of personnel.

Teams are also working with engineers and sonar to make sure the rescuers are safe.

“We need to be sure that the pile does not fall on them. It does not fall on any possible survivors and we are diligently pursuing that as we do our work,” she said.

Crews spent the night digging a trench that stretches 125 feet, 20 feet across and 40 feet deep, which, she said, allowed them to find more bodies and human remains.

Earl Tilton, who runs a search-and-rescue consulting firm in North Carolina, said the rescuers in Miami-Dade County were doing an “outstanding job.” Rushing into the rubble without careful planning and execution would injure or kill rescuers and the people they are trying to save, said Tilton, who runs Lodestar Professional Services in Hendersonville, North Carolina.

“I understand the families’ concerns on this. If it was

my family member, I would want everyone in there pulling rubble away as fast as humanly possible,” Tilton said. “But moving the wrong piece of debris at the wrong time could cause it to fall on them and crush them.”

During past urban rescues, rescuers have found survivors as long as a week past the initial catastrophe, Tilton said.

Florida Gov. Ron DeSantis praised the search teams as being “some of the best in the business.”

“I’d hope that none of these things would ever happen anywhere, but if something like this happens, the people you would want are Miami-Dade search and rescue,” DeSantis said during a Sunday news conference. “These teams have gone all over the world. These are the people that you want. And they’ve been there within minutes, and it’s been nonstop.”

Authorities also sought to assure family members directly that the rescuers were well qualified, telling them during a Saturday meeting that some rescuers had worked on search-and-rescue operations after the Oklahoma City bombing, at the World Trade Center after the 9/11 attacks and following the Haiti earthquake.

After remains are found, they are sent to the medical examiner. Authorities are gathering DNA samples from family members to aid in identification. Late Saturday, four of the victims were identified as Stacie Dawn Fang, 54; Antonio Lozano, 83; Gladys Lozano, 79; and Manuel La-Font, 54.

Minnesota lawmakers reach deal on policing measures

(AP) — Minnesota’s top Democratic and Republican lawmakers reached agreement on the highlights of a public safety bill that includes police accountability measures, a day after former Minneapolis police officer Derek Chauvin was sentenced to 22 1/2 years in prison for the death of George Floyd.

While some details had yet to be finalized, leaders from both parties said the compromise reached late Saturday settles the major issues after months of negotiations. It has been

the most contentious piece of budget negotiations among a divided Legislature that’s up against a Wednesday deadline to avoid a government shutdown.

The Democratic-controlled state House included several policing provisions in its overall public safety budget bill this session in the hopes of building on a package the Legislature approved last summer in the aftermath of Floyd’s death under Chauvin’s knee.

The 223-page bill draft includes

provisions regulating the use of no-knock warrants, a police misconduct database to create an early warning system to keep bad officers off the streets, and the creation of an office of missing and murdered indigenous relatives as well as a task force for missing and murdered Black women.

Democrats had advocated for limits on pretextual traffic stops, where police pull over a driver for a minor violation, such as expired tabs or something hanging from the rearview mirror. That push intensified after police in suburban Brooklyn Center shot

and killed Daunte Wright for driving with expired tabs. That proposal is not part of the agreement.

Republicans who control the Senate resisted many of the Democrats’ proposals, calling some “anti-police.” The GOP negotiations at times focused those pushing to abolish the police, as well as violent protests following Floyd’s killing. The agreement includes \$2 million for violent crime enforcement teams, a Republican-backed provision.

Riots in Lebanon over economy injure 10 soldiers, protesters

(AP) — Lebanese troops deployed in the northern city of Tripoli early Sunday taking positions around major state institutions after a night of protests and riots against worsening living conditions left several protesters and 10 soldiers injured.

Sporadic protests were reported throughout Lebanon on Saturday as the country's 20-month economic crisis worsened. The World Bank described the crisis as one of the worst the world has witnessed in 150 years. It is coupled with a political deadlock that has left Lebanon without a government since August.

The largest protests were in the southern port city of Sidon and in Tripoli, Lebanon's second largest city and most impoverished. Sporadic protests and road closures took place in the capital Beirut.

Lebanon has been suffering

severe shortages of vital products including fuel, medicine and medical products, angering the public.

Lebanon's currency hit a record low Saturday, reaching 18,000 pounds to the U.S. dollar. The pound has lost more than 90% of its value since the crisis began.

In October 2019 protesters called for the removal of the political class that has run the country since the end of the 1975-90 civil war and has been blamed for corruption and mismanagement that has ruined the country's economy.

The army said rioters on motorcycles threw stun grenades at troops in Tripoli injuring nine soldiers, while another was injured when hit by a stone. Protesters attacked several state institutions in the city.

State-run National News Agency said Tripoli and other

cities in Lebanon were quiet around noon Sunday. The situation in Lebanon is not expected to improve as political bickering between President Michel Aoun and Prime Minister-designate Saad Hariri has delayed the formation of a government since Hariri was named to

the post in October. Talks with the International Monetary Fund over the economic crisis have been suspended since last year.

The World Bank said Lebanon's gross domestic product is projected to contract 9.5% in 2021, after shrinking by

20.3% in 2020 and 6.7% the year before.

Tens of thousands of people have lost their jobs since late 2019 in the tiny country of 6 million, including a million Syrian refugees. More than half the population lives in poverty.

Indian police say bomb-laden drones hit air base in Kashmir

(AP) — Indian officials said Sunday they suspect explosives-laden drones were used to attack an air base in the disputed region of Kashmir, calling it the first such incident of its kind in India.

Dilbagh Singh, the region's police director-general, told the private news channel New Delhi Television that "drones with payload were used in both the blasts." Singh called the attack an act of terrorism.

Two soldiers were lightly wounded in the explosions, according to a military officer who spoke on condition of anonymity in keeping with military regulations.

India's air force tweeted that the attack caused minor damage to a building on the base, located in the southern city of Jammu in the Indian-controlled portion of Kashmir, while the second blast hit an open area. It said no military equipment was damaged.

The incident, if proven to have been carried out by anti-India rebels, would mark a major shift in strategy against New Delhi. Rebels have primarily used classic guerrilla tactics such as ambushes, hit-and-run attacks, remote-controlled explosions and car bombings.

Lt. Gen. D.S. Hooda, who was head of the Indian military's Northern Command from 2014 to 2016 which covers Kashmir, said Sun-

day's potential drone strike poses a "huge and serious challenge" for the security apparatus. He said commercial drones are easily available on the market and don't need advanced technology to be used in attacks.

"Drones have a small visual signature and traditional radars hardly pick them up," Hooda said. "It will require a whole range of new modifications for the military to intercept and defuse these kinds of attacks."

Muslim-majority Kashmir is divided between India and Pakistan, and the Himalayan region is claimed by both in its entirety. Rebels have been fighting against Indian rule since 1989. Most Muslim Kashmiris support the rebel goal that the territory be united either under Pakistani rule or as an independent country.

New Delhi deems Kashmir militancy to be Pakistan-sponsored terrorism. Pakistan denies the charge, and most Kashmiris call it a legitimate freedom struggle.

Both countries claim to have shot down spy drones in the parts of Kashmir under their respective control.

The air base in Jammu is also used as a civilian airport, and the Press Trust of India news agency quoted the airport's director, Pravat Ranjan Beuria, as saying there was no disruption to civilian flights.

Indian authorities said forensic investigators were surveying the area, and were later joined by the country's premier anti-terrorism agency, the National Investigating Agency.

Last week, India's Prime Minister Narendra Modi held a crucial meeting with pro-India politicians from Kashmir for the first time since New Delhi stripped the region's semi-autonomy and imposed a slew of administrative changes, which many likened to the beginning of settler colonialism.

Indian authorities in recent years have raised the possibility of drone attacks by rebels in the region, especially after repeatedly accusing Pakistan of using China-made drones along the frontier to drop weapons packages for militant groups since last year.

Tens of thousands of civilians, rebels and government forces have been killed in the conflict.

Blinken, Lapid meet in Rome amid reset US-Israel relations

(AP) — Hush-hush diplomacy. In-person visits. Hush-hush diplomacy. In-person visits. And a very public no-surprises agreement on Iran.

U.S. Secretary of State Antony Blinken and Israeli Foreign Minister Yair Lapid met in Rome on Sunday as their new governments look to turn the page on former President Donald Trump and former Prime Minister Benjamin Netanyahu, whose close alliance aggravated partisan divisions within both countries.

Now, with Trump sidelined in Florida and Netanyahu leading the opposition, President Joe Biden and Prime Minister Naftali Bennett are focused on pragmatic diplomacy rather than dramatic initiatives that risk fomenting opposition at home or distracting from other priorities.

“In the past few years, mistakes were made,” Lapid told Blinken as they sat down for talks in a Rome hotel. “Israel’s bipartisan standing was hurt. We will fix those mistakes together.”

Lapid said he had spoken with Democrats and Republicans since taking office and had “reminded them all that we share America’s most basic, basic values — freedom, democracy, free markets and constant search for peace.”

Blinken noted that even though the two governments are new, “the foundation that we’re working on is one of an enduring partnership, a relationship, friendship between the United States and Israel.”

The push means aiming for

smaller achievements, such as shoring up the informal cease-fire that ended last month’s war with Gaza’s militant Hamas rulers and replenishing Israel’s Iron Dome defense system. A major push to revive the long-dormant peace process between Israel and the Palestinians could unsettle the delicate balance.

“Nobody thinks it’s a good idea to start charging through on a major new peace initiative,” said Ilan Goldenberg, a Mideast security expert at the nonprofit Center for a New American Security. “But there are things you can do quietly under the radar, on the ground, to improve the situation.”

That approach — of managing the conflict rather than trying to solve it — may succeed in papering over domestic divisions. But it also maintains a status quo that the Palestinians find increasingly oppressive and hopeless, and which has fueled countless cycles of unrest.

The Americans and Israelis will try to work out differences away from the public, as in Biden’s “quiet” diplomacy, when he privately urged Netanyahu to wind down the Israel-Hamas war ahead of a truce that took effect May 21.

“We believe the way to discuss those disagreements is through direct and professional conversation, not a press conference,” Lapid said.

Both governments will try to preserve Israel’s fragile governing coalition, in part by reducing provocations that

played a part in sparking the 11-day war that claimed at least 254 Palestinian lives and killed 13 people in Israel.

The new coalition in Israel shares little beyond the conviction that Netanyahu had to go. It’s composed of eight parties, each effectively with veto power on decisions. So if even one party bolts, Israel’s government would be at serious risk of collapse, with Netanyahu waiting just off-stage.

At least in the short term, Lapid, a centrist, will be Israel’s point man on repairs to the tattered relationship with Biden and the Democrats. The party controls both houses of Congress but is increasingly divided on the Mideast conflict, with progressive members calling for the U.S. to exert more pressure on Israel.

“What they’re building now is mutual trust,” said Michael Oren, former Israeli ambassador to the United States under Netanyahu. “I expect a change of tone rather than of substance... but there’s a possibility that it could produce something better for Israel.”

Topping the agenda in both countries are talks in Vienna over reviving Iran’s 2015 accord with world powers to limit Tehran’s ability to develop nuclear weapons. Trump, with Netanyahu’s backing, pulled the U.S. out of the deal in 2018 and imposed sanctions on the Islamic Republic. Biden promised to restore and expand the agreement.

Now, Israel’s new government seems intent on staying

engaged and trying to influence the talks, rather than scuttle them.

“Israel has some serious reservations about the Iran nuclear deal that is being put together in Vienna,” Lapid said, before pledging that Israel would make its objections privately. Netanyahu had loudly and publicly opposed the deal when the Obama administration was negotiating it.

“We have the same objective,” Blinken said. “Sometimes we differ on the tactics, and we, I think, are very clear and direct to each other when that’s the case and that’s exactly how it’s supposed to be.”

Even the right-leaning Bennett, who is ideologically aligned with the hawkish Netanyahu, has toned down the rhetoric on Iran.

“We will continue to consult with our friends, persuade, discuss, and share information and insights out of mutual respect,” Bennett said Thursday. “But at the end of the day, we will be responsible for our own fate, nobody else.”

Tamping down tensions — or at least not inflaming them — is a key strategy, the officials said.

Blinken spoke of the need to resolve the Israeli-Palestinian conflict but did not offer any kind of timetable or any strategy to “offer a more hopeful future for everyone: Palestinians and Israelis alike with equal measures of opportunity and dignity.”

And, while the Biden administration supports and hopes to expand on the Trump-era Abraham Accords that normalized relations between Israel and several Arab countries, Blinken said they “are

not a substitute for engaging on the issues between Israelis and Palestinians that need to be resolved.”

On the U.S. side, the Biden administration has made clear it wants to extricate the country from intractable conflicts in the Middle East and focus on other challenges, such as climate change and competition with China.

On Monday, outgoing Israeli President Reuven Rivlin is to visit Washington at Biden’s invitation. A group of House Democrats are planning an official trip to Israel as soon as Congress’ July 4th recess.

There’s even talk of Lapid and Bennett traveling to Washington later in the summer, separately or together, the officials said. Bennett will serve as prime minister for the first two years, followed by Lapid, the architect of the coalition.

All the officials spoke on condition of anonymity to discuss administration plans and logistics, which have not been finalized.

So far, the reset seems to be functioning. But with the Israeli coalition barely two weeks old, significant challenges loom.

Biden has moved to reverse Netanyahu-backed Trump policies that alienated the Palestinians, and the administration has said Israelis and Palestinians should enjoy equal measures of security and prosperity.

But the U.S. has yet to explain how it intends to bring that about without ending Israel’s half-century military occupation of the West Bank, its blockade on Hamas-ruled Gaza and discriminatory policies in Jerusalem that fueled a spring of unrest.

Subs give Italy 2-1 win over Austria, spot in Euro 2020 QFs

(AP) — With three exquisite touches of control, technique and finishing, Federico Chiesa ended 95 minutes of Italian frustration.

This record-breaking team is off to the quarterfinals of the European Championship with a defense that finally allowed a goal after more than 19 hours but with a national team-record 12th straight victory.

After breezing through the group stage at Euro 2020, Italy was made to fight for its 2-1 victory over Austria on Saturday in a last-16 game that came to life in extra time.

It was Roberto Mancini's substitutes who made the difference with the goals from Chiesa and Matteo Pessina at Wembley Stadium.

"We needed some fresh energy," Mancini said, "and the guys who came on were brilliant."

An unmarked Chiesa brought down Leonardo Spinazzola's high cross with his head,

controlled the bouncing ball with his right boot and then used his other foot to shoot low into the net.

"Usually when the ball arrives like this you try a first time on the volley," Chiesa said. "But I think the goal came because I was composed, I was relaxed and I was focused."

The goal rolled the clock back 25 years to when European Championship games were last played in England and his father Enrico Chiesa scored for Italy. Euro '96, however, ended in the group stage for Italy.

Now it's onto a quarterfinal meeting in Munich on Friday against the winner of Sunday's match between defending champion Portugal and top-ranked Belgium.

"Ideally we would like to avoid both," Mancini said, "but it's not possible."

After scoring seven goals without reply in the group stage, Italy didn't have it so easy against an Austrian team

playing in the knockout stage at a European Championship for the first time.

"After 90 minutes we said that we just had to improve the quality of the final passes," Spinazzola said, "and finally the goals arrived in extra time."

Individual skill produced the breakthrough from Chiesa. Italy's second was more about calmness in a goalmouth scramble. Pessina, who came on midway through the second half, sent the ball into the far corner of the net in the 105th minute.

"In this team everybody can score and this is our main strength," Pessina said. "We are a great group."

The group spirit was clear in the raw emotion of the goal celebrations as teammates collapsed on Pessina, a late injury replacement in the squad.

"He's not a player I have necessarily unearthed — he has been doing brilliantly for Atalanta," Mancini said. "He

has certainly proved that he is a top player and I think he will have a great future with Italy because I think he is only going to get better."

Italy was also celebrating in extra time after setting a world record for minutes played without conceding a goal in international soccer. The previous record was also Italy's and was set with goalkeeper Dino Zoff in the team. The Italians went 1,143 minutes between 1972 and 1974 without allowing a goal.

But Italy soon conceded for the first time in 1,168 minutes, from a set piece in the 114th minute when Sasa Kalajdzic headed the ball in from a corner.

"Maybe Italy was a little bit nervous," Austria defender

David Alaba said.

The Austrian comeback ended there, however, and Italy held on for its 31st straight unbeaten match — another national team record.

Video review helped, too.

Austria took 63 minutes for its first shot, then found the net two minutes later. Alaba headed the ball across the penalty area and Marko Arnautovic nodded the ball past Italy goalkeeper Gianluigi Donnarumma. But the video review showed Arnautovic's right boot was offside.

"We are disappointed and sad," Austria coach Franco Foda said. "We need justice in football but today it hit us. It was a close offside and we have to live with it."

Dolberg scores 2, Denmark beats Wales 4-0 at Euro 2020

(AP) — Still riding a wave of emotion, Denmark won again at the European Championship.

And they won a big one at a stadium that means a lot to them.

The Danes advanced to the quarterfinals at Euro 2020 by beating Wales 4-0 on Saturday in Amsterdam, getting two goals from Kasper Dolberg exactly two weeks after Christian Eriksen collapsed on the field during the team's opening match. Eriksen had to be resuscitated with a defibrillator and spent several days in the hospital before returning home last week.

Both Eriksen and Dolberg played for Ajax, the team that plays its home matches at the Johan Cruyff Arena. Much of the crowd of 16,000 was cheering on the Danes.

"It feels like a home game," Dolberg said. "This stadium, which is very special to me, it's fantastic."

Dolberg, who was given his first start of the tournament by Denmark coach Kasper Hjulmand, scored a goal in each half. Joakim Maehle scored the third in the 88th minute and Martin Braithwaite added the fourth in injury time.

It was the second match in a row that Denmark scored four times, after beating Russia 4-1 to qualify for the round of 16 after losing its first two matches. Denmark is the first nation to score four or more goals in consecutive matches in the history of the European Championship.

"We needed the love and support and that's what gave us wings," Hjulmand said of the crowd in Amsterdam.

After soaking up early pressure by Wales, Dolberg struck.

He took a pass from Mikkel Damsgaard in the 27th minute and cut infield from the left before curling a right-foot shot into the far corner. He doubled the lead in the 48th minute when he scored with a low shot after Neco Williams' attempted clearance went straight to him.

Dolberg knows all about about scoring in Amsterdam. He found the net 45 times in 119 matches for Ajax from 2016-19 before signing for

French club Nice.

"I think we have a star striker in Kasper," Hjulmand said.

Saturday's strikes brought his tally at the Johan Cruyff Arena to 31, with the other 29 coming for Ajax.

"Today when we were walking ... to the stadium I felt that it was something very, very special for me," Dolberg said. "Today everything feels right."

Dolberg became the first Danish player to score at least twice in a match at a major tournament since Nicklas Bendtner against Portugal at Euro 2012.

With Wales increasingly ragged, Maehle made it 3-0 with a powerful shot when he had time and space to control the ball and beat Wales goalkeeper Danny Ward. Braithwaite's goal was initially ruled offside but allowed after a video review.

Harry Wilson was sent off in the 90th minute for a foul on Maehle as Wales slumped to

its worst loss in a competitive match since being beaten 6-1 by Serbia in September 2012.

"We're all hurting. We didn't want our supporters to watch us going out like that," Wales coach Rob Page said, adding he believed there was a foul on Kieffer Moore in the build-up to the second Denmark goal.

The Danes will next play either the Netherlands or the Czech Republic in the quarterfinals in Baku on Saturday.

Wales had an early chance to take the lead when captain Gareth Bale sent a swerving shot just wide in the 10th minute. He shot wide again two minutes later as he attempted to break an international goal drought that has now reached 15 matches.

Wales managed only one shot on target in the entire match. Denmark had eight.

"We showed real heart," said Bale, one of Wales' key players when the team reached the semifinals at Euro 2016 in France.

Serena Williams says she will not play at the Tokyo Olympics

(AP) — Serena Williams said she will not go to the Tokyo Olympics, but did not want to say why during her pre-Wimbledon video conference with reporters Sunday.

"I'm actually not on the Olympic list. ... Not that

I'm aware of. If so, then I shouldn't be on it," Williams said.

The 39-year-old Williams has won four gold medals at past Summer Games for the United States: in both singles and doubles at the 2012 London Olympics — which held

the tennis competition at the All England Club — and in doubles at the 2000 Sydney Olympics and 2008 Beijing Olympics.

All of her doubles golds were won with her older sister, Venus, as her partner.

At the 2016 Rio de Janeiro Games, Serena Williams lost in the third round of singles to Elina Svitolina of Ukraine and the siblings were beaten in the first round of doubles. Before that, they had been 15-0 as an Olympic doubles team.

"There's a lot of reasons that I made my Olympic decision," Williams said the day before the start of main-draw action at Wimbledon, where she will try to collect her 24th

Grand Slam singles title. "I don't really want to — I don't feel like going into them today. Maybe another day. Sorry."

U.S. Tennis Association spokesman Chris Widmaier wrote in an email to The Associated Press on Sunday: "Ultimately, the decision to participate in the Games is an individual one, and as we emerge from the pandemic, we recognize and respect the personal decisions made by our top athletes regarding participation in the Tokyo Games. Although we fully support the IOC and the (International Tennis Federation), and have encouraged our athletes to participate, we recognize the fact that in this unique time, some athletes may choose not to participate

for personal reasons." Other top tennis players such as Rafael Nadal and Dominic Thiem also have said they'll skip the trip to Japan, where the Olympics open on July 23, a year after being postponed because of the coronavirus pandemic.

Roger Federer said Saturday he hasn't decided whether to participate in the Tokyo Games and will figure that out after he sees how things go at Wimbledon.

Asked what she thinks it will be like to sit out these Summer Games, Williams replied: "I have not thought about it. In the past, it's been a wonderful place for me. I really haven't thought about it, so I'm going to keep not thinking about it."

Vandy unhappy how it made CWS finals but ready for Bulldogs

(AP) — Awkward is the only way to describe Vanderbilt's appearance in the all-SEC College World Series finals beginning Monday night against Mississippi State.

The Commodores were supposed to play North Carolina State in a winner-take-all bracket final Saturday and found out 12 hours before the start the Wolfpack had been removed from the tournament because of COVID-19 protocols. The game was declared a no-contest.

"We certainly sympathize with their team, their fan base, too, understanding that we don't know the level of hurt that they are exposed to right now, but we certainly recognize it," Vandy coach Tim Corbin said Sunday.

"None of us wish to be in this particular position. We certainly would want to play them on the field or have played them on the field, but we didn't. So we are in the situation where we move forward."

Vanderbilt is the reigning national champion, having won the CWS in 2019. There was no tournament last year because of the pandemic.

The No. 4 national seed Commodores (48-16) are at this point after winning two elimination games, most recently 3-1 Friday against an N.C. State team that had

only 13 players available.

"We're here for a reason," first baseman Dominic Keegan said. "We earned our spot here and we got here because of our abilities and what we can do."

The No. 7 Bulldogs (48-17) played two bracket finals against Texas, winning 4-3 on Saturday on Tanner Leggett's walk-off base hit.

"Our guys have fought since the day we got here," MSU coach Chris Lemonis said. "We haven't had an easy game yet. It's been very tight, tough ballgames. But, man, they keep finding a way to persevere. It's been earned by our guys and I look forward to seeing them play on this stage."

Vanderbilt won two of the three regular-season meetings with MSU in Nashville in April. Vandy's Kumar Rocker, a possible top-10 pick in the Major League Baseball draft and the 2019 CWS Most Outstanding Player, pitched a three-hitter in the first game of that series and could be available if the finals go three games.

Lemonis dismissed any suggestion that this year's championship would be tainted because Vanderbilt made the finals without completing bracket play, albeit through no fault of its own.

"The way that we came

through it and the games that we've had to play — and now you're having to play Vanderbilt — there will be no asterisk for us," Lemonis said. "And I hate it for N.C. State. I have three coaches who worked for Elliot (Avent) on my staff. I have a long relationship with Elliot. My nieces and nephews all went to N.C. State. I have a lot of respect there. ...

"But for our guys, that stuff's out of our control. All we can do is show up and play, and whoever is in the other dugout we compete against."

Mississippi State will start Christian McLeod in Game 1. He's made one appearance in the CWS, lasting just 1 1/3 innings and giving up four runs in a 6-5 win over Virginia last Tuesday.

Corbin wasn't ready to announce his Monday starter. National strikeout leader Jack Leiter, a rejected top-five draft pick, would be up next in the rotation. Leiter, who threw 123 pitches in a win over N.C. State last Monday, took his first loss of the season in the second game against MSU in April. Mississippi State has begun using a back entrance to enter and leave its hotel as a precaution against COVID-19. Lemonis said the move was made in response to the Wolfpack's virus issues.

The Bulldogs have brought a large group of fans to Omaha, and players mixed with them until Friday.

"The last couple days, we haven't signed autographs or shaken hands," Lemonis said.

"We're trying to be as protective as we can. The first couple nights we came to our lobby, thousands of people, it's the best part of winning a game out here."

Corbin said Vanderbilt has not altered its coming-and-going routines at its hotel.

Corbin didn't answer directly when asked if he could require his players to be vaccinated because Vanderbilt is a private university. That wouldn't be the case at public schools such as N.C. State and Mississippi State.

"I've spent a lot of time educating the group what this process could look like at the beginning of the year," Corbin said. "We are certainly comfortable with where we are and what we've done."
